

NEBRASKA HIGH SCHOOL RODEO POINTS BALLOT

Some members have approached the directors about possibly changing our point system. After much discussion, the Board of Directors have come up with 3 options. This is an organization for the students, so it was decided to let the members decide what point system they would like to see put in place. **If you have any questions please contact one of the directors.** Please bring your ballot with you to Bassett at check-in when you get your back number. If you will not be at Bassett, please text Brandi with your choice. 402-336-7730 Brandi will also have ballots with her at Bassett if you would like to fill one out there instead!

OPTION #1: Leave as is: Bring in top 10 rodeos to State Finals(100 points max)
1st go at State Finals: 20 points
2nd go @ State Finals: 20 points
Short go @ State Finals: 15 points
Average @ State Finals: 15 points
Bonus: 40 points

This option leaves things exactly the way they are now.

OPTION #2: Bring in top 15 rodeos to State Finals(150 points max)
1st go @ State Finals: 15 points
2nd go @ State Finals: 15 points
Short go @ State Finals: 15 points
Average @ State Finals: 30 points
Bonus: 85 points

This option counts 15 rodeos and slightly reduces the percentage of points awarded at the state finals and makes the average worth more than what it does now.

OPTION #3: Bring in top 15 rodeos to State Finals(150 points max)
1st go @ State Finals: 20 points
2nd go @ State Finals: 20 points
Short go @ State Finals: 20 points
Average @ State Finals: 40 points
Bonus: 60 points

This option counts 15 rodeos and makes state count for the same percentage as it does now, but makes the average worth more.

To clarify: Bonus points are points that Nationals require us to have, to stay in compliance with them. They are only awarded to the top 10 after all points have been figured after the short-go and the average at State Finals. They do not change or affect the outcome of the rodeo or the year end results.
