

NEBRASKA HIGH SCHOOL RODEO RULES/POLICIES

January 2023

GENERAL RULES

1. Read your 2022-2023 National High School Rodeo Association Rule Book!!
2. Contestants must enter their event at the state finals. A contestant with enough points, using the accumulative point system, but because of injury cannot compete in the state finals, will maintain his/her position through the average and will receive points and awards for their final placing in the event. Contestants must have medical documentation and must be present for the entirety of the finals, unless the medical condition so prohibits.
3. Only contestants will be allowed to register complaints and these must be placed first through the Contestant Event Director, Adult Director, National Director or Arena Director before the end of the section/event in which the question arose. Any contestants or parents attempting to fix, threaten, bribe, influence, harass or coerce any rodeo official, rodeo committee member, Board of Director, National Director or secretary at any time between opening and closing of a rodeo, will cause contestant to be disqualified.
4. There will be no trading out by contestants in any event, except in conflicting events due to multiple arena situations and high school graduation (Seniors only).
5. Disqualification from a rodeo means that you are done for the day. If you have already competed and placed in other events, these placing will be taken away.
6. Once a contestant releases on a medical or visual release, in order to compete again, a doctor must give a release to compete again.

ENTRY POLICIES

1. Qualifying rodeo entries go to the Central Entry Secretary. Credit/debit card payment can be made through the online entry portal. Check payments must accompany the rodeo entry confirmation.

2. Entry fees will be \$20.00 per event with \$1.00 going to the general fund, \$.50 going to the student fund, \$2.00 going to the state award fund, and \$1.00 going to the central entry fund, and \$15.50 going to the host rodeo committee.
3. Entries and payment must be received by the rodeo closing date.
4. If entering all the rodeos at one time and several checks submitted, the checks will be deposited prior to the rodeo taking place, not in conclusion.
5. Each rodeo entry will be accepted as received by the Central Entry. If a contestant has marked the wrong event, he/she must turn out of that event and pay the fine.
6. A pre-draw/unofficial draw list will be posted on the NHSRA website. This will be done prior to positions drawn, and errors may be corrected at that time.
7. A \$25.00 charge will be assessed for any insufficient funds check and upon 2nd offense member will be placed on a cash only basis.

Contestant Turn-Out Information

1. You may only DRAW OUT of a rodeo before positions are drawn. The date of position draws is posted on the NHSRA website. Any draw outs after this date are considered a TURN OUT. You must contact the Central Entry Secretary and each Rodeo Secretary to draw out, not the Association Secretary. If you draw out before positions are drawn, entry fees will be refunded.
2. If you are TURNING OUT of a rodeo after positions are drawn, a \$20.00 turn out fine/per event will be assessed. In Team Roping, if one partner turns/draws out, the remaining partner can find a new partner. The partner can find a replacement if that replacement is entered in said rodeo but not in the team roping event, and has a parental signature on the membership application for the team roping.
3. If you are TURNING OUT because of a medical or vet release, the Central Entry Secretary and Rodeo Secretary must be notified 24 hours in advance of the start time of the rodeo. If the persons are notified 24 hours in advance, entry fees will be refunded and the \$20.00 turn out fine will not be imposed. If the notification is after the 24 hour deadline, and before 5 days after the turn out, the contestant does not get their fees back. After 5 days have passed and a medical or vet release has not been submitted to the Central Entry Secretary, a \$20.00 fine will be assessed, and need to be paid prior to competing at the next rodeo.

4. A contestant may turn out due to a visible injury or illness that occurred the day of the rodeo, provided the judge has ruled this to be the situation. A judge's visual release is only good for that day's rodeo. The turn out fine of \$20.00 will be waived in this situation, however, the entry fee(s) will not be returned.
5. All medical or vet releases must be emailed or mailed to Jill Austin, PO Box 764, Valentine NE 69201 within 5 days of the release. Anything received after the date, will be considered a turn out and a \$20.00 fine will be imposed. All medical or vet releases must be on a doctor or veterinarian's official letterhead and signed. Once a contestant competes in the event they released, the release is void.
6. The Central Entry Secretary will be notifying the following week's rodeo secretaries of any turn outs, so all fines will be paid prior to competing at the next rodeo. Fines may be paid to the Rodeo Secretary or sent to the Central Entry Secretary. If you pay a fine at a rodeo, be sure to ask for a receipt. It is your responsibility to provide proof of a fine payment if paperwork is lost. All fines should be made payable to the NHSRA.
7. Once a contestant releases on a medical or visual release, in order to compete again, a doctor must give a release to compete again. If you are not able to compete at the rodeos following the first one you released from, contact the Central Entry Secretary and Rodeo Secretary ASAP so stock is not ordered for you.

FINES POLICY

1. All fines will be paid to the Nebraska High School Central Entry Secretary, unless she is unavailable then to the qualifying rodeo secretary. The State Secretary will put fifty percent (50%) of the turnout fines in the student fund and the other fifty percent (50%) goes to the said rodeo committee.
2. Turn-out fines must be paid with-in five (5) days or contestants will be ineligible until the fines are paid.
3. If turn-out fines are not paid before the next rodeo entered, the contestant must draw out or will be considered another turn out for the rodeo and each rodeo thereafter, until the fines are paid.

10. In the event of a tie-breaker at the state finals for year-end saddle winner: National rule to be followed with the Nebraska amendment to the National rule: after all rodeos and points considered and a tie is resulting, one head of stock or one run will be performed to determine the winner. At this time, if a tie is still resulting, the winner will be determined by a flip of the coin.

11. State Finals Short Round stock shall be chosen by the adult director of the specific event along with two appointed adults. Stock numbers shall be given to the secretary the night before the short round. If these numbers are not turned in to the secretary, the selection will revert back to the following: To determine timed event stock for the final round: figure the top 10 contestants in the average from the first two (2) go-rounds, and use their stock to draw to. Or use the stock with the fastest times from the first two (2) rounds. Method will be determined by event directors. Because this is not a 'true short round', contestants will draw back to the established herd and can draw the same animal they already competed on. This rule would apply to all timed event stock.
12. Rough stock in the final go-around will be determined by adult and student directors with input from the stock contractor.
13. Only contestants that compete in the Short Round will be awarded Average points. They must have at least one time/score to be eligible for points.
